

## **NEW BRUNSWICK ENERGY AND UTILITIES BOARD**

IN THE MATTER OF an application by Coach Atlantic Transportation Group Inc. to expand its scheduled public motor bus service to provide service to the communities of Bathurst N.B. and Campbellton N.B.

### **ORDER**

Coach Atlantic Transportation Group Inc. (“Applicant”), a licenced motor carrier, provides scheduled, intercity motor coach service in New Brunswick, Nova Scotia and Prince Edward Island, with connections to Quebec and points west. The Applicant operates its scheduled, intercity service under the business name “Maritime Bus.”

Pursuant to the *Motor Carrier Act*, the New Brunswick Energy and Utilities Board (“Board”) approved the Applicant’s routes and schedules in its decisions dated November 9, 2012 and November 30, 2012 (Matter 192).

By Order, dated August 6, 2013, the Board granted the Applicant authority to amend its approved routes and schedules to provide service to Campbellton, Bathurst and Shediac (Routes 340 and 341) on a temporary basis. In a subsequent Order, dated March 12, 2014, the Board extended the duration of the temporary service to Campbellton, Bathurst and Shediac until Sunday August 31, 2014, subject to the following conditions:

1. Should the Applicant want to discontinue the temporary service to Campbellton, Bathurst and Shediac before Sunday August 31, 2014 it shall notify the Board, by letter, of its intention to discontinue at least thirty (30) days prior to the last day of service;
2. In the event that Applicant advises the Board of its intention to discontinue the temporary service it shall inform passengers of the discontinuance by posting notices, in English and French, on its buses, in its terminals and on its website ([www.maritimebus.com](http://www.maritimebus.com)) for at least thirty (30) days prior to the last day of service;
3. Should the Applicant continue to operate the temporary service beyond August 31, 2014, the amended routes and schedules will be made a service within the Applicant’s motor carrier licence, effective Monday September 1, 2014;

Friday August 1, 2014 was the final date for the Applicant to advise the Board of its intention to discontinue the temporary service. No notice to this effect was received from the Applicant. Accordingly, as per the Board’s Order of March 12, 2014, the amended routes and schedules to Campbellton, Bathurst and Shediac, which had previously been operated on a temporary basis,

became a service within the Applicant's motor carrier licence (New Brunswick Motor Carrier Licence No. 4268) on Monday September 1, 2014.

The approved routes and schedules are attached at Appendix A. The approved stops and flag-stops are attached as Schedule B.

DATED at the City of Saint John, New Brunswick, this 1<sup>st</sup> day of October 2014.
